I'd rather not be bothered being pulled off taking calls like this – but if it's important enough I can. Let me know

Subject: **McCollum Telephone Briefing**

Raquel, Ed and Jim:

Ms. McCollum would like a telephone briefing on the Gold King Mine spill. She is available tomorrow at 9:00 am EST or at 12:30 EST. Ms. McCollum would like to hear from EPA and understand the full picture of what happened. She would like to be as helpful as possible, but wants to make sure she understands the situation and has personally spoken with EPA. She'd like to help get out the message that there is a problem with abandoned mines, etc.

Please let me know what time EPA can do the call and who will be providing the briefing.

Thanks,
Rita
